

CrossCulture Programme “Focus” Motivation Letter

1. Please answer the following questions as concise and complete as possible.

What are your motivations for applying for the CrossCulture Programme? Why would you like to obtain a professional fellowship in Germany? **(max. 850characters)**

What are your experiences in the field of civic education? Why are you applying specifically for the chosen position? Why would you like to work in this organisation? **(max. 1.350 characters)**

Why do you think you are the right person for this position? Please indicate your position and responsibilities at your home organisation and/or your social or societal commitment in your home country in the field of civic education. What knowledge and skills gathered in your previous education and professional experience make you a suitable candidate for this position? **(max. 650 characters)**

What do you expect from your professional fellowship at your host organisation? Which professional skills and knowledge would you like to acquire? **(max. 1.100 characters)**

How would you contribute to the work of your host organisation in Germany? What kind of experiences, skills or contacts would you like to share beyond the official requirements of the job description? **(max. 950 characters)**

How would your home organisation and/or community benefit from your participation in the CrossCulture Programme? In which way do you intend to contribute to the social, political or technical development of your home country? **(max. 850 characters)**

2. Which personal, professional or organisational goals do you want to pursue in connection to the position you have chosen to apply for? (max. 650 characters)

I hereby declare that the above statements are correct and complete. I understand that any misinformation will lead to the exclusion from the CrossCulture Programme.
